Poaching of Leopards in Rajaji National Park

†*514. Ms. SUSHILA TIRIYA:
SHRI MOTILAL VORA:

Will the Minister of ENVIRONMENT AND FORESTS be pleased to state:

(a) whether Government are aware that illegal poaching of leopards is being done in the country—particularly in the Rajaji National Park causing constant decrease in their number;

(b) if so, whether Government have taken concrete steps to check the illegal poaching of leopard and other wild animals;

(c) the names of categories and the number of forest officials penalized for illegal poaching in the National park in spite imposing complete ban on the poaching of wild animals; and

(d) the number of skins of leopards recovered from the Rajaji National Parks, during 2004-05?

THE MINISTER OF STATE IN THE MINISTRY OF ENVIRONMENT AND FORESTS (SHRI NAMO NARAIN MEENA): (a) and (b) No report regarding constant decrease in number of leopards in the country including Rajaji National Park, due to poaching has been received. Details of population of leopards in the country and Rajaji National Park land scape are placed at statement I and II respectively. (*See* below)

Government of Uttaranchal has reported measures are being taken in Rajaji National Park to deal with the threat of poaching which include anti poaching camps at strategic places, deployment of ex army personnel in wildlife protection, foot patrolling and night patrolling in sensitive areas and strengthening of communication systems. Similar measures, more or less, have been adopted in all protected areas of the country to combat poaching of wild animals.

(c) No report of forest officials being found responsible for poaching in Rajaji National Park has been received.

(d) Nil.

†Original notice of the question was received in Hindi.

Statement I

State-wise Details of Population of Leopards

Sl.No.	Name of the State	Leopard
